## TESTING

**CPAA testing** will continue next week for the first and second graders.

## UPCOMING EVENTS

Remember to check the basecamp writeboard for updates on our game night and to sign up for food for the evening. We will have dinner at 6:00 followed by games from 6:45-9:00. You can come for as long as you want and leave when you wish. Bring along family and friends.

We have begun to receive signups for the Providence Bruins. The deadline for signing up for this event is January 30th.

## INCIDENTALS

As we head into more seasonal weather, please note that we try to go outside for recess every day possible. Your child should bring his/her **snow boots** in a plastic bag and **wear hats and gloves**. In case of a **cancellation** or a **delay** because of inclement weather, we do not always follow the Middleborough Public School decision. You can check the website no later than 6:45 a.m. or you will receive a call by 7:00 a.m. if you requested notification by phone.

I have begun a **prayer list** on a writeboard page of basecamp. Please feel free to add your praises or requests to that list. I have begun with praise for the birth of Steve's and my seventh grandchild, Sophie Ann, who was born yesterday just after noon time to my son, Drew, and his wife Chrissy and big brother Eli. Thank you for your prayers for this new little one!

If you have **uniforms** that no longer fit your child, please bring them to the office. Pat Hamer is cataloging them for us and they will be available for you the night of the potluck.

We are running low on **kleenex**, **antibacterial wipes**, **paper towels**, and **straws**. If you would like to donate any of these items, we would greatly appreciate it! Thanks!

## CLASSICAL CORNER

"Take all the words available in the human vocabulary and read them from the dictionary, and you have only a list of words. But with the creativity and imagination God has given human beings, let these words flow together in the right order and they give wings to the spirit. Every child ought to know the pleasure of words so well chosen that they awaken sensibility, great emotions, and understanding of truth. This is the magic of words - a touch of the supernatural, communication that ministers to the spirit, a true gift. We cannot underestimate the use of words in creative thought. Proverbs says "A word fitly spoken is like apples of gold in pictures of silver." The right word in the right place is a magnificent gift."

**VERSE OF THE WEEK:** *"Whoever desires to love life and see good days, let him keep his tongue from evil and his lips from speaking deceit; let him turn away from evil and do good; let him seek peace and pursue it. For the eyes of the Lord are on the righteous, and his ears are open to their prayer. But the face of the Lord is against those who do evil."*
